16. Express 45 percent as a fraction in simplest form.
17. Find the HCF of 24 and 36.

Algebra

18. Solve: $3x + 11 = 29$
19. Simplify: $7m - 4m + 9$
20. Write an equation for: "The sum of a number and twelve is equal to twenty."

Geometry

21. How many diagonals does a pentagon have?
22. Calculate the perimeter of a rectangle with length 12 cm and width 7 cm.
23. Name the type of angle measuring 95 degrees.

Data Handling

24. Find the mean of: 6, 10, 14, 20
25. Which graph is best for showing changes over time?
26. What is the purpose of grouping data?

Section C: Science

Biology

27. What function do red blood cells perform?
28. Name one way plants prevent water loss.
29. Why are decomposers essential in an ecosystem?

Physics

30. Define acceleration.
31. What happens to speed when force increases on a moving object?
32. Name one device that uses magnetic force.

Chemistry

33. What is a solution?
34. State one difference between acids and bases.
35. Give one example of a reversible change.

Environmental Science

36. What is soil erosion?
37. Mention one method to conserve wildlife.

Section D: Social Studies

Geography

38. What information does a climate graph provide?
39. Name one factor affecting rainfall patterns.
40. Why are ports important for trade?

History

41. How did writing help ancient civilizations?
42. Name one ancient civilization known for mathematics.
43. What was the role of scribes in early societies?

Civics

44. What is equality before law?
45. Name one responsibility of a government.

Economics

46. Define consumption.
47. Give one example of a public good.

Section E: ICT / Computer Studies

Computer Basics

48. What is an input device?
49. Name one example of application software.

MS Word

50. What is the use of bullet points in documents?
51. How can a table be inserted into a document?

MS Excel

52. Write the formula to calculate the average of cells B1 to B6.
53. What does cell referencing mean?

Internet Awareness

54. What is a digital footprint?
55. Why should strong passwords be used?

Section F: Islamiyat

Quran and Hadith

56. What does Islam teach about helping others?
57. Mention one Hadith related to honesty.

Aqidah

58. What is belief in the Day of Judgment?
59. Why are prophets important in Islam?

Worship

60. What conditions are required for Salah to be valid?
61. Why is Zakat important for society?

Islamic Ethics
